## DECLARATION OF STEPHEN G. GLEBOFF

1. My name is Stephen G. Gleboff. I am the sole managing member of the Dallas law firm of Stephen G. Gleboff PLLC ("SGG"), although I no longer practice in that entity. I have been practicing law in Dallas, Texas since 1988. From 1988 to June, 2015, I handled commercial litigation matters in Dallas and other counties in Texas and in various jurisdictions throughout the United States. I practiced at Hughes & Luce, LLP from 1992 until 2007, and was a partner in that firm from January, 1995 until August, 2007. I left that firm and joined Little Pedersen Fankhauser ("LPF") in August, 2007 and was a partner in that firm until September, 2011. I founded Gleboff Law Group PLLC ("GLG") (now known as Stephen G. Gleboff PLLC) in October, 2011. In June, 2015, I joined the Office of General Counsel of the University of North Texas System as a Senior Associate General Counsel.

2. I have 26 years' experience in civil litigation matters. During that time, my

practice focused on commercial litigation, with considerable expertise in securities litigation. I am familiar with the reasonable, necessary, and customary fees charged by attorneys practicing in Dallas, Texas for handling complex civil litigation.

3. Attached hereto as Exhibit 1 are true and correct copies of the invoices issued by GLG and SGG for the legal fees and expenses incurred as lead counsel for the Receiver in this matter from October, 2011 through December, 2014.

The invoices reflect that GLG and SGG billed a total of 487.90 hours during that period, and that the attorneys' fees sought in respect of those hours are \$86,880.60. The invoices further reflect that GLG and SGG incurred and paid out of pocket expenses in connection with its services in the amount of \$607.16 during that time. Finally, the invoices reflect that GLG and SGG discounted all fees to the Receiver by 10%.

4. GLG and SGG's work for the Receiver was performed by three professionals employed by GLG and SGG, as follows:

- a. Stephen G. Gleboff was responsible for 27.50 hours of work. Mr. Gleboff's time was billed at \$475.00 per hour, with certain discounts being applied to his Receivership work;
- b. Megan K. Dredla, an associate employed by GLG, was responsible for 33.90 hours of work. Ms. Dredla's time was billed at \$260.00 per hour with certain discounts being applied to her Receivership work;
- c. Stephanie A. Zaleskin, a legal assistant employed by GLG and SGG, was responsible for 426.50 hours of work. Ms. Zaleskin's time was billed at \$175.00 per hour with certain discounts being applied to her Receivership work.

5. I served as lead attorney in its representation of the Receiver in this matter from October, 2011 to June 12, 2015. I have attached hereto as Exhibit 2 a copy of my curriculum vitae, which is accurate for the time period at issue, but does not reflect my service as Senior Associate General Counsel for the UNT System from June, 2015, to the present.

6. Megan K. Dredla served as associate counsel during the time period at issue. I have attached hereto as Exhibit 3 a copy of Ms. Dredla's recent internet biography and a curriculum vitae for the time period at issue, which provide accurate information for the time she provided services to the Receiver.

7. Stephanie A. Zaleskin is a paralegal who was employed by GLG and SGG. She began working as a paralegal in 1993 and has at least 15 years' experience in litigation matters. Her work consisted primarily of assisting the Receiver, myself, and Ms. Dredla in connection with our representation of the Receiver. I have attached hereto as Exhibit 4 a copy of Ms. Zaleskin's curriculum vitae for the time period at issue, which provides accurate information for the time she provided services to the Receiver.

8. It is my opinion that the aforementioned professionals each handled the various tasks assigned to them in connection with this matter professionally, skillfully and efficiently, and that the fees charged by each of them are reasonable, customary, and necessary.

9. For any particular litigation matter, there can be a range of fees that are reasonable, customary, and necessary. It is my opinion that the attorneys' fees charged by GLG and SGG for the services to the Receiver in this matter fall within that range. Therefore, it is my opinion that the attorneys' fees incurred by GLG and SGG in this matter during the period from October, 2011 through December, 2014, as shown on the invoices attached hereto as Exhibit 1, are reasonable, customary, and necessary when judged by the applicable standard for fees and related expenses. It is also my opinion that the number of hours expended and the hourly rates charged were reasonable, customary, and necessary.

10. In considering the reasonableness of the attorneys' fees in this case, I base my opinion on the factors and analysis identified by the Fifth Circuit in *Johnson v. Georgia*

*Highway Express, Inc.*, 488 F.2d 714 (5th Cir.1974) ("*Johnson*"), Rule 1.04 of the Texas Disciplinary Rules of Professional Conduct, and my 27 years of practice. The Johnson factors include:

(1) time and labor required; (2) novelty and difficulty of the issues; (3) required skill; (4) whether other employment is included; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) time limitations; (8) the amount involved and the results obtained; (9) the attorneys' experience, reputation and ability; (10) the "undesirability" of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases

*Johnson*, 488 F.2d at 717-19.

11. My opinions are based on the facts and circumstances of this case, and my representation of the Receiver, the analysis and factors cited above, and my experience, as well as my review of the time records of GLG and SGG, the pleadings, motions, and briefs filed in this case.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on July 13, 2016.

I am an experienced business litigation lawyer, and have practiced law in Dallas since 1988. I practiced commercial litigation for many years in large law firms (most of that time at Hughes & Luce, LLP), and more recently I have been a partner in a small firm, and the owner of my own solo practice.

#### **LAW PRACTICE DESCRIPTION**

My experience includes a broad range of complex business disputes, including corporate governance matters, complex contract cases, securities fraud and securities enforcement defense, and breach of fiduciary duty litigation. I represented one of the world's largest technology companies for seventeen years in a wide variety of matters, including computer hardware and software litigation, consumer litigation, and class action defense. My experience includes internal investigations for both public and private entities, and I have served as a special litigation committee expert. I have represented clients in federal (SEC) receivership proceedings, and have represented both a receiver and a court appointed examiner in federal receiverships. Clients have retained me in a number of trade secret, copyright, and trademark cases. I defend other lawyers in litigation and grievance proceedings, and represent corporations and individuals both as plaintiff and defendant.

I try cases, both to the bench and to a jury, and represent clients in arbitration proceedings and administrative hearings. I have briefed and argued numerous appeals in state and federal court.

I have an AV® Preeminent™ Martindale-Hubbell® rating.

#### **EDUCATION**

I received my J.D. from SMU in 1988. In law school, I served as an associate editor of the Southwestern Law Journal, and was admitted to The Order of the Barristers. I received my B.B.A., *magna cum laude*, from SMU in 1985, and attended the University of Texas in the National Merit scholarship program from 1981 to 1983.

### **LAW FIRM EXPERIENCE**

- Stephen G. Gleboff PLLC (formerly Gleboff Law Group PLLC), Managing Member, 2011 – present.

- Baker & McKenzie, Associate, 1988 – 1990.
- Brice & Mankoff, Associate, 1988.

### **PRACTICE EXPERIENCE**

The following are representative cases I have handled:

- Represented the court appointed receiver in an SEC action to recover the proceeds of a Ponzi scheme on behalf of defrauded investors.
- Conducted internal investigations of suspected embezzlement, bank fraud, breach of data security, employee theft, bribery, dishonesty, and other misconduct.
- Represented the victim of a Ponzi scheme in efforts to recoup his investment.
- Defended three directors of a nonprofit hospital in breach of fiduciary duty litigation following the closing of the hospital.
- Defended a software implementation consultant against allegations that ERP software was unfit and improperly configured.
- Represented a computer hardware and software manufacturer in software anti-piracy litigation.

- Defended a computer hardware manufacturer in nationwide class action litigation involving an alleged breach of warranty.
- Represented a computer hardware manufacturer in arbitration proceedings related to an allegedly defective product; proceedings resulted in a take nothing award and recovery of costs.
- Defended an insurance company in a federal class action that was dismissed on the insurance company's motion.
- Defended a telecommunications company in U.S. District Court in a one month jury trial involving copyright infringement, trade secret misappropriation, and antitrust claims.
- Defended an individual accused by the SEC of securities fraud in a bench trial in U.S. District Court. The Court dismissed the entire case following the SEC's case-in-chief.
- Defended two individuals accused by the SEC of securities fraud in an administrative proceeding that resulted in findings for the defense.
- Represented a leading developer of industrial products in litigation involving claims of cybersquatting, trademark infringement, and misappropriation.
